First Day of Red Cross Lessons

All swimmers can enter the pool area and wait on deck until an instructor calls their level. Parents are welcome to accompany young children on deck before class starts. The skill level of all swimmers will be evaluated. Swimmers may be moved up or down a level depending on this evaluation and class availability. Parents will be contacted if this is necessary.

Don't forget to bring your report card!

Parents Day

This is an opportunity for parents to view their child's skills up close and talk to the instructor about their progress. Parents are welcome to come in the water or watch from the deck. Mid-session reports will also be handed out on this day.

Pizza Day

End your session of swimming lessons with a tasty pizza slice! Fill your tummy with yummy pizza and help raise money for the pool.

Order forms will be handed out on the first day of the session.

All orders and money must be returned to the pool Wednesday of the second week of lessons by 1:00pm.
