## POOL ADMITTANCE GUIDELINE

Children under the age of **10 years who are non-swimmers** must be accompanied by a parent or guardian who is at **least 12 years of age** and responsible **for their direct supervision**. Caregivers age 12 to 17 are not allowed to supervise more than two bathers at one time. An adult 18+ may not supervise more than four bathers at one time, of which **only** two may be under the age of 6.

Children under the age of **10 who are swimmers** (able to demonstrate comfort in the water and pass the facility swim test) **may be admitted to the swimming pool unaccompanied**.

Children 7 to 9 years of age may attempt a swim test to determine if they may swim unaccompanied in the water. **A caregiver must be present for the swim test.** Once a swimmer passes the swim test, they may swim unaccompanied in the water.

**Any child 6 years of age or younger must have a caregiver in the water at all times.**

**Non-Swimmers MUST remain within arms reach of their caregiver at all times.**
