NOTICE DOG ENUMERATION

From April 1 to June 30, 2017, enumerators employed by Wellington North will be going door to door to ensure all dog owners in the municipality have a license and current tag for their dog(s) and provisions of the canine control by-law are being followed.

Enumerators will have valid identification issued by Wellington North and you are entitled to ask to see that identification. The enumerators are authorized to collect payment on behalf of the municipality and issue the licenses and tags.

Urban dog owners may have a maximum of 3 dogs per property and rural dog owners may have a maximum of 10 dogs per property. The cost of licensing a dog is \$25.00.

You may attend at the municipal office prior to April 1 to purchase your license. During the enumeration period, licenses will only be available through the enumerator. If you are not at home when they call, they will leave a notice for you as to how you can obtain your license.
