

WELLINGTON NORTH
SEMPER PORRO

FOR IMMEDIATE RELEASE

January 4, 2022

Wellington North Municipal Office and Indoor Recreation Facilities Closed to the Public.

WELLINGTON NORTH - The Township of Wellington North's first priority is to ensure the health and safety of our residents, visitors and staff. In response to the recent announcement from the Province of Ontario regarding the increase in COVID cases province-wide, all municipally operated indoor recreation facilities will be closed to the public effective Wednesday January 5, 2022, at 12:01 a.m. Staff will work on issuing a full refund to anyone impacted and will initiate contact as soon as possible. Vaccine and blood donor clinics or COVID testing centres scheduled to operate out of any municipal facility will continue as scheduled.

All municipally run recreation programs; including indoor walking, public skating, parent and tot skating and older adult skating, will also be cancelled effective Wednesday January 5, 2022 at 12:01 a.m.

The Wellington North Municipal Office has been closed to the public since December 24, 2021 and will remain closed until further notice. Staff will continue to be available via phone and email while working remotely. The Township encourages residents to make payments for property tax, dog tags and accounts receivable invoices through online banking, at your financial institution, by mail or by using the secure 24/7 drop box at the front of the municipal office. Residents requiring a municipal service that cannot be served by an alternative transactional method (i.e., online or by phone), are asked to make an appointment to meet with staff in person. Please contact the Administrative Office at 519-848-3620 or township@wellington-north.com to book an appointment.

Additional information regarding municipal services and a staff directory can be found online www.wellington-north.com.

Individuals who have questions or concerns regarding COVID-19 should contact Wellington Dufferin Guelph Public Health at 519-822-2715 extension 4020 or visit <https://www.wdgpUBLICHEALTH.ca>.
