THE TOWNSHIP OF WELLINGTON NORTH
WILLIAM STREET RECONSTRUCTION
CONTRACT NO. 18196

NOTICE

Please be advised that the Township's Contractor, Moorefield Excavating, could commence construction activities as early as May 31, 2019. Work will begin on William Street between North Water Street and Queen Street (Highway 89), with some work also taking place on North Water Street. These activities are expected to continue until end of August 2019. During this period, sections of William Street **will be closed** and sections of North Water Street will have limit access. There will be periods of time when there will be no access to driveways for properties that front along the construction limits. There may be restricted access for emergency vehicles to properties during the construction period.

The attached figure illustrates the general limits of the William Street Reconstruction project.

If you have any questions, please contact one of the following:
