

Township of Wellington North

P.O. Box 125 • 7490 Sideroad 7 W • Kenilworth • ON • N0G 2E0

Reconstruction of Charles Street East and Leonard Street, ARTHUR Contract No. 5975-18

The Council of the Township of Wellington North invites you, as residents on or near Charles Street East and/or Leonard Street, to attend an Information Meeting in regards to the above construction project that is expected to commence late August 2018 and finish in October 2018.

1. Charles Street East and Leonard Street (George Street (Hwy. 6) to Eliza Street)
 - Full road reconstruction and upgrading of the roadway to a full urban section (i.e., with curb and gutter) including sanitary sewer, storm sewer and watermain.
 - New sidewalk

Construction drawings will be available at the meeting for your review.

Please note that majority of properties located on Charles Street East and Leonard Street will be provided with a storm sewer service installed to property line. It is mandatory for any residence who receives a storm service that has, or will have, a sump pump, to have it connected to the storm service in accordance with Township standards (as per By-Law No. 094-16, Section 3.1 (c), (d)). Those who have sump pumps must connect to the storm service within one (1) year of the service being installed. The Township will reimburse the homeowner for 50% of the cost to make that connection up to a maximum of \$250.00 (as per By-Law No. 094-16, Section 2.6).

The Contractor for this project is Moorefield Excavating Ltd., 6297 Wellington Road 109 South, HARRISTON, Ontario, N0G 1Z0.
