

COUNTY OF WELLINGTON AND TOWNSHIP OF WELLINGTON NORTH

Application for Part Lot Control Exemption By-law

GUIDELINES AND EXPLANATORY NOTES

Introduction: The submission of an application to the municipality to seek approval for a Part Lot Control Exemption By-law is provided for under Section 50 (7, 7.1 through to 7.5) of The Planning Act, R.S.O. 1990, as amended. This form is to be completed and accompanied with the required fee prior to municipal consideration and final approval by the County of Wellington.

General Purpose: An application for approval of a Part Lot Control Exemption By-law is generally submitted for the purpose of reconfiguring existing lots or blocks within a Registered Plan of Subdivision in order to facilitate further development (e.g. semi-detached, townhouses, commercial or industrial units). Requests for exemption from Part Lot Control that will have the effect of creating a new lot(s) will only be considered for land that was subject to a planning application which involved formal public notice (e.g. zoning or minor variance) and clearly indicated the potential reconfiguration of the property. Proposals for the creation of a new lot(s) not consistent with the above, are to be considered through the Land Division (consent) process.

Application Fees: Each application must be accompanied by the application fee in the form of a cheque/cash/money order payable to the **Township of Wellington North**. This fee shall be considered a deposit which is used to pay all legal, planning and other associated costs with respect to the processing of the subject application. If the total costs incurred by the municipality should exceed the amount of the above noted application fee, the applicant shall provide the municipality with an additional deposit of **\$500.00** or may be requested to pay the outstanding balance. Alternatively, if the application costs are less than the deposit, the balance will be returned once all matters are finalized. There is an additional fee which will be payable to the County of Wellington for final approval of the by-law if the by-law is passed by your municipality.

Authorization: If the applicant (agent or solicitor) is not the owner of the subject land, a written statement by the owner must accompany the application which authorizes the applicant to act on behalf of the owner as it relates to the subject application (See Section 9).

Drawing: All applications for a Part Lot Control Exemption By-law must include:

A drawing to scale which has been prepared by a Surveyor, Engineer or Planner which shall include the following applicable items:

- the proposed development of the site and proposed new ownership boundary lines and,
- Dimensions of new parcels
- Abutting properties
- Driveways and lanes
- North arrow
- Other features (bridges, wells, railways, septic systems)
- Distance to lot lines
- Abutting land uses
- Natural features
- Public roads, private roads, allowances, rights-of-way
- Easements, restrictive covenants
- Parking and loading areas
- Municipal Drains/Award Drains

Reference Plans: The applicant will be required to prepare and submit a Reference Plan prior to approval of an exemption by-law that illustrates the reconfigured lots/blocks to be created.

Approval Process: Upon receipt of an application, the required fee and other information as may be required, the Clerk of the municipality may notify the applicant or agent to attend a meeting with Municipal Council to present the proposal. It is in the applicant's (agent's) best interest to be present at this meeting.
