GUIDELINES

Introduction:

The submission of an application to the municipality to seek relief from a municipal Zoning By-law is provided for under Section 45 of The Planning Act, R.S.O. 1990, as amended. As such, this form must be completed and accompanied with the required fee prior to consideration by Council or a Committee of Adjustment. The purpose of these Guidelines is to assist persons in completing the Minor Variance Application. Should you require clarification on any matter covered by this application form, please contact the Municipal Office at the address at the bottom of the page.

Application Fees:

Each application must be accompanied by the application fee in the form of a cheque/cash/money order payable to the Township of Wellington North. This fee is used to pay all legal, planning and other associated costs with respect to the processing of the subject application.

Authorization:

If the applicant (agent or solicitor) is not the owner of the subject land, a written statement by the owner must accompany the application which authorizes the applicant to act on behalf of the owner as it relates to the subject application (See Section G).

Drawing:

All applications for a Minor Variance must include an **accurate and to scale** sketch showing the dimensions of the subject land and all of the abutting land showing the location, size and type of all buildings and structures on the subject land and abutting land. In some cases, it may be preferable that this plan be prepared by a qualified professional. This sketch should show the items listed in Section E as applicable to the relief being sought.

Supporting Info:

Please bear in mind that additional information may be required by the municipality, County, local and provincial agencies in order to evaluate the proposed Minor Variance. The required information may include studies or reports to deal with such matters as environmental impacts, traffic, water supply, sewage disposal and storm water management.

Ontario Regulation 200/96, as amended, outlines specific information which must be included within an application for minor variance. This is known as "prescribed information" and is identified by this symbol (*) beside the question number.

Approval Process:

Upon receipt of an **application**, the required **fee** and **other information** as may be required, the Secretary Treasurer of the Committee of Adjustment or the Clerk of the municipality will notify those parties that are to receive notice under Ontario Regulation 200/96. This involves the circulation of the application to various agencies and abutting landowners for their comments. The applicant or agent will be requested to attend a public meeting to present the proposal. **Please note that it is in the applicant's best interest to ensure that they are represented at this meeting.** The applicant and any other parties requesting notice will be provided with a notice of any decision made by the Committee as well as the reasons for their decision.
