Accepted by Council on December 13, 2021.

BUSINESS ARISING FROM THE MINUTES

CAO 2021-008 Fundraising Committee Guidelines

- Elect a Committee Treasurer

002

THE CORPORATION OF THE
TOWNSHIP OF WELLINGTON NORTH
MOUNT FOREST AQUATICS AD-HOC ADVISORY COMMITTEE MINUTES
February 8, 2022 @ 7:00 P.M.
VIA ELECTRONIC MEETING

RESOLUTION: MFA 2022-002

Moved: Member Job

Seconded: Member Doney

THAT the Mount Forest Aquatics Ad Hoc Advisory Committee receive for information report CAO 2021-008 on Fundraising Committee Guidelines.

THAT the Mount Forest Aquatics Ad Hoc Advisory Committee recommend Ray Tout be appointed as Committee Treasurer.

CARRIED

Chair Burke relayed to committee that member Tout has expressed an interest in the Committee Treasurer role.

Chair Burke asked about having more than one signing authority. It was explained that yes; it is the expectation to have more than one. It is the suggestion from the CAO for it to be the chair unless there is someone on the committee that would like to be the second signing authority.

Member Leach questioned which bank the township deals with and whether it will be in Arthur or Mount Forest. The CAO explained that the Township deals with RBC Bank and that is who they would be looking to open the account with.

Member Leach expressed interest in being second signing authority.

CAO explained to Chair Burke that the committee and Township can iron the details about the signing authorities once the account has been established.

ITEMS FOR CONSIDERATION

1. CLK 2021-029 Lottery Licensing Open Session

RESOLUTION: MFA 2022-003

Moved: Member Doney

Seconded: Member Weber

THAT the Mount Forest Aquatics Ad Hoc Advisory Committee receive for information report CLK 2021-029 on Lottery Licensing.

CARRIED

Director of Operations explained details about the lottery licensing and the report as well as what has been talked about at Council. The Interpretation from AGCO is that they cannot issue a lottery license for assets that go on Municipal Property. The Lions Club is looking to lobby the Provincial government to change that.

Chair Burke explained that for anyone that sits on this committee that is also apart of another organization there was a draft letter sent out as part of that petition and if it hasn't been sent onwards it would be appreciated if it was.

003

February 8, 2022 @ 7:00 P.M.
VIA ELECTRONIC MEETING

Member Job updated Chair Burke that he had forwarded the letter onto MPP Pettapiece who responded that he had sent the letter to the Minister in overseeing lottery Licensing.

Member Leach asked if the fundraising done thus far had been through a lottery License. Chair Burke explained that it had not been needed for the hats and shirts sold.

2. Fundraising Opportunities

RESOLUTION: MFA 2022-004

Moved: Member Leach

Seconded: Member Job

THAT the Mount Forest Aquatics Ad Hoc Advisory Committee receive for information the Fundraising Opportunities as presented.

CARRIED

Director of Operations presented a slide show of fundraising ideas such as features, and costs associated with them.

Member Job asked about the price presented for each sunshade and if it was for all three or just one. The Director of Operations answered that he believes it was for each and he can clarify and confirm that.

Member Leach asked the Director of Operations about how many design concepts there are to look at. The Director of Operations explained that there are three design concepts and if people like some aspects of one over the other it can be adjusted to suit.

Member Leach also asked if these designs will be going out for community review like other municipalities, or if it is too early stages for that. The Director of operations explained that the plan is to hold a public open house in the near future.

Member Leach asked if enhancements such as the climbing wall and water features could be fundraised for as part of a lottery license or are they considered under the capital infrastructure. The Director of operations stated that he believes they would not be eligible for the licence and would like to consult internally to confirm.

3. Merchandise and Promotional Material Inventory Update

RESOLUTION: MFA 2022-005

Moved: Member Weber

Seconded: Member Job

THAT the Mount Forest Aquatics Ad Hoc Advisory Committee receive for information the Merchandise and Promotional Material Inventory Update as presented.

CARRIED

Community Recreation Coordinator went through the inventory list which provided committee a snapshot of what the value of that inventory is and the value of it sold.

OTHER BUSINESS/ROUNDTABLE

Member Leach asked the Director of Operations if some of the fundraising ideas are incorporated in the design concepts and if these features would impede swimming programming. The Director of Operations explained that these features are in areas where toddlers can play and that they don't anticipate them being in areas where programming is taking place.

Member Leach also asked if the new pool will be the same square footage as the existing one and if fencing and parking will be included. The Director of Operations answered that it will be a different configuration but roughly the same area, and that parking will be shared with the arena and fencing is shown in the concepts.

Member Leach asked the Director of Operations if the fencing could be a fundraising idea. The Director of Operations stated that fencing could be an idea as well as trellises, trees, AstroTurf, etc.

The Director of Legislative Services/Clerk clarified that everything is a fundraising opportunity, just not everything is a lottery licensing opportunity.

Chair Burke stated that she would like to see more than quorum at the next meeting and that committee can digest the concepts that will be received as well as the features presented today. Chair also expressed to the lion's members to bring their plan for their fundraisers.

Member Leach asked about a committed construction date for the pool. It was stated that Council has endorsed about \$575,000 for a detailed design this year and other than that everything is subject to future budget approval.

Community Recreation Coordinator shared on behalf of Member McFarlane, that if we decide to go ahead with the "You've Been Flocked" idea the cost of the flamingos is approximately \$225, and that member McFarlane has advertising flyers from other organizations which gives a good idea on how it works. Another fundraising idea Member McFarlane had is an auction for profession of the day which would be available to all ages.

ADJOURNMENT

RESOLUTION: MFA 2022-006

Moved: Laurie

Seconded: Vern

THAT the Township of Wellington North Mount Forest Aquatics Ad-Hoc Advisory Committee meeting of February 8, 2022 be adjourned at 7:50 p.m.

CARRIED

February 25, 2022

The Township of Wellington North is a government, whose primary mandate is to govern, and derive their powers from the Municipal Act. As entities established primarily for local administration, they are not given the power to carry out charitable objectives or to conduct lottery schemes.

Municipalities do not meet the definition of a charitable organization and do not qualify for lottery licensing under Section 207(1)(b) of the Criminal Code. This section of the Criminal Code disqualifies municipalities from benefiting from the proceeds of lotteries.

Climbing wall(s), water feature(s), turf, and sunshade would, in the municipality's opinion, be ineligible from being funded through a lottery. While these items may be considered an enhancement, these items will be under municipal ownership, maintenance, liability and as such are an ineligible use of lottery proceeds.

Donor tiles would, in the municipality's opinion, be ineligible from being funded through a lottery. Money raised through the sale of the tiles would be used to fund the pool, which is municipal property and ineligible. If this promotion is self paid, any revenue generated over and above the cost of the tile can go towards the project outside of a lottery license.

Items such as life jackets are not eligible for the use of lottery proceeds. Municipalities are mandated under O.Reg.565 Public Pools to provide safety equipment such as life jackets, reaching poles, life saving rings, etc. Items that the municipality is required by law to provide are not eligible for the use of lottery proceeds.

Any non-lottery generated money that is in a separate account can be directed to municipal owned projects. Other sources of non-lottery funds would be toll booth drives, gala's, sponsorship, silent auctions, radiothon's, etc.

We would encourage your service club to follow up with the AGCO for clarification on our interpretation.

Yours truly

Karren Wallace
