

Cultural Moment

Get to Know Everyone's Business!

The 8th Annual Wellington North Showcase is happening at the Mount Forest Sports Complex March 27th & 28th

We have a wide array of business in Wellington North to serve all of our needs. Our community is full of passionate and skilled people that deliver their products and services in a friendly manner. But how do we know what is available to us in our own community?

Wellington North Showcase creates a platform for business services, retailers and organizations to make the right connections to create local camaraderie that benefit business and the consumer. Wellington North Showcase features a Business Networking Reception along with the tradeshow that features a showcase of displays and products from local businesses and organizations.

New for 2017, bringing hope to the community, Mayor Lennox and HOPE (Healthy Opportunities Promoting Empowerment) invite you to a Mayor's Lunch and Talk about Mental Health in the Workplace. *1 in 5 Canadians will be affected by a mental health issues during their lifetime and, as such, every workplace is affected by mental health in some way. A workplace can contribute positively or negatively to an individual's mental health and, in turn, this can affect the success of the business or organization.*

Visitors will also want to ensure that they fill out their Showcase passport by visiting booths for their chance to win great prizes from participating vendors!

Over the past seven years Showcase has proven to be a must attend event for our local businesses and organizations. The economic well-being and cultural offerings of our community is driven by our existing businesses and organizations; this Showcase is intended to give us all an opportunity to recognize and thank the many businesses we have in our community and the provided services.
