## PAGE STREET - ASPHALT PROGRAM NOTICE OF CONSTRUCTION AND ROAD CLOSURE

July 17, 2024

The Township of Wellington North wishes to advise you of the construction of asphalt on Page Street between Dublin Street to dead end of Page Street in Mount Forest.

Construction activities will begin on July 17, 2024, for gravel base preparation and are expected to continue through to July 26, 2024. Placement of asphalt is scheduled for Tuesday July 23, 2024, weather dependent. The Contractor for the project is E.C. King Contracting Limited of Owen Sound, Ontario.

Key Plan – Page Street

Please note that all streets will remain open to traffic and emergency access will be maintained during construction; however, traffic on the affected roads within the project limits may experience driveway access interruptions and land restrictions at various times throughout the project.

Project plans can be viewed at <https://www.wellington-north.com/government/capital-projects>.
