

Township of Wellington North
WATER AND SEWER RATE STUDY AND FINANCIAL PLAN
Request for Proposal (RFP 2025-008)

ADDENDUM NO. 2

This addendum has been issued to revise the tender package as follows:
The following questions have been received. Answers / Clarification follow each question:

Question 1:

Does the Township want to change its current rate structure from the flat monthly charge for residential customers or does it wish to maintain the current rate structure?

Answer / Clarification 1:

The Township is not looking to change its current rate structure from the flat monthly charge for residential customers at this time. However, we would appreciate some analysis of different rate structures to better understand potential impacts or opportunities.

Additional Information / Clarification:

Please note that the Township may give advance consideration to the successful bidder for this assignment when procuring services for the Development Charges Background Study, anticipated in 2026. Such consideration will be subject to satisfactory performance on the current assignment and adherence to all applicable procurement policies
